Subject : Letter to Respond to Show Cause Letter

Respected Sir,

This is brought to our notice that one of our ZINC SULPHATE Sample Batch No.02 sampling date on 15/11/2022 from Shivshambhu Agro located on Permisses sample sent to Fertilizer Control Laboratory, Pune. On dated 17/11/2022 under sample code no 10012307220222023 (F) for the purpose of analysis The Analytical Chemist, Fertilizer Control Laboratory, Pune sent the Report Of Analysis, Vide his Memorandum No. FCL3158 dated.24/11/2022 & declared the above sample is not according to specification & Fails in Zinc (asZn) pH.

Sir, we always use standard raw materials purchased from reputed Companies, all batches are checked in our well-equipped Lab, then dispatch.

We requested to you kindly check the samples again. We assure our quality of samples according to specifications and never fail again.

With Regards,

Yours faithfully
